

THE CAMP SCHEDULE!

A camp setting might be a new environment for your dog. And with a new environment might come stress for either you or your dog. If you think that your dog may experience anxiety or has "space issues" and you would like to schedule time with one of the trainers to have your dog experience a positive "meet and greet" with another dog, please speak with either Karen O., Wendy, Dennis or Shawn.

IN THE EVENT OF RAIN... THE SHOW WILL GO ON!

In the event of rain, activities will continue as scheduled...unless it is a downpour or thunderstorm. Many of our outdoor activities have alternative indoor locations, please ask an instructor or check the window at the Ruth Lodge (registration building) for rainy day information. We will also announce any anticipated weather related schedule changes at meals.

During daily activity periods, you decide which of the programs you would like to attend...and then just show up to the location listed. A few activities do require advance sign-up due to limited space or additional fees. These scheduled activities are: Tracking (limited space), Herding (\$30 fee & limited space), and Taking CGC Test (\$10 fee & limited space).

Private Consultations and Special Offers are also available at camp through some of our staff and presenters. To take advantage of these offers, you must also sign-up, plus pay any associated fee directly to that staff member.

The Barking Lot

The Barking Lot is a staff-supervised area located behind the dining hall, where you may stake/tie out your dog during meals.

The Barking Lot is open & staffed at meals.

When Flyball is not in session during an Activity Period, the field is designated an off-leash area for small dogs (under 25 lbs) and puppies.
