Puppies and Senior Dog Campers

Camp Dogwood is great for puppies that are at least 3 months old. Some areas at camp are designated "Puppies & Small Dogs Only" for the comfort of our smaller and younger campers. Camp is great for exposing puppy to new activities... getting a jump-start on training... finding puppy's hidden talents... and perfect for burning-off some of puppy's boundless energy!

We're fun for senior dogs, too! On Camp Dogwood's camp schedules there are always plenty of low-impact activities perfect for older, or less active, dogs. Or your senior dog might prefer 1 day at our SENIOR DOG DAY CAMP on May 4th.

Camp Facilities

Each Camp Dogwood host facility provides a secluded, beautiful, rustic country setting for our unique program for people and dogs. In addition to many well groomed open fields for activities, our facilities offer hundreds of acres of woods, hiking trails and private lakefront off-leash beaches.

Host Facilities Include: Fantastic hotel-like lodges with private bathrooms and climate controls and affordable rustic cabins; A dining hall overlooking a beautiful lake; Countless multi-purpose recreation halls and outdoor amphitheaters, fire circles and private beach access.

For those wishing to stay off-site, dog-friendly hotels are always nearby. Our host facility staff is friendly and accommodating, meals are served hot and delicious and all grounds trails and beaches are private and very well-maintained.

Camper Registration Options

See www.CampDogwood.com for registration forms & detailed explanations of all attendance and housing selections.

Full-weekend camps include your choice of lodging, meals, snacks and standard scheduled programming. Dogs and their people stay together in Cabins or Lodges. Campers may choose to stay in their own single (private) housing, or may come with a friend (or friends) and stay together in our larger accommodations.

Campers could also decide to "ruff-it" and pitch their own tent or come to camp in an RV (no full-hookup).

We offer single Day Pass Camper options, too, which allow you to attend just the Saturday and/or Sunday of camp. Meals are included, but no lodging, with Day Passes.

If you have questions about our programs, or to find out if Camp Dogwood is right for you & your dog, visit our website or contact us directly with your inquiries.
